SUMMARY

Junior React.js Developer. Skilled in building responsive, user-friendly web applications using HTML, CSS, JavaScript, Bootstrap, and React.js. Experienced in version control (Git/GitHub), Passionate about modern UI/UX design and continuously improving technical expertise to deliver efficient web solutions.

EXPERIENCE

Freelancing Platform Web Developer

June 2026 – Present

- Developed responsive websites using **HTML, CSS, JavaScript, and Bootstrap**.
- Built small projects (landing pages, portfolio websites) to practice clean code and modern UI design.
- Applied problem-solving skills to debug and optimize front-end performance.
- Collaborated in online communities and GitHub repositories to improve teamwork and version control skills.

Web Development Intern – DEPI (React Frontend)

July 2026 – Present

- Trained in modern frontend development using **React.js**.
- Built interactive user interfaces with reusable components and responsive design.
- Applied **HTML, CSS, JavaScript, and Bootstrap** alongside React to create dynamic web applications.

PROJECT

Personal Portfolio Website

- Designed and developed a responsive portfolio website using **HTML and CSS**.
- Showcased skills, projects, and achievements in a clean, professional layout.
- Applied best practices in semantic HTML structure and modern CSS styling.
- Demonstrated ability to translate web development learning into a practical project.

EDUCATION
